The roof of Spring Green Church was in desperate need of repair and a contractor was hired to replace one-half of the building roof for \$2,000. Cost estimates for partial refurbishing of the building are: \$1,000 to replace the shutters; \$1,500 to replace and/or refurbish the windows; \$1,400 to replace the doors/door frames and facing; an estimated \$2,600 to scrape the building. There are immediate needs which should be met, as well as long range plans for restoration.
