Subject: Grimes Family RU minutes

Please read the enclosed minutes and see if I have left out or omitted anything.

Do I need to include others who made contributions to the Spring Green Restoration project since I will mail Uncle Mayo a copy of the minutes?

Do you know if there were others attending for the first time that should be included? Is there something that could be included to create or spark more interest?

See you at Spring Green Church on Saturday, October 23! Have you heard from any others who stated they would be there?

Love,

Best regards to Lola.
